Full Terms & Conditions

1. Plain terms

These Terms use fairly plain language, so we want to make sure that some of the words and concepts used are easily understood. For instance, we have included clause headings as a guide but these do not form part of this agreement. Certain recurring words are defined in the details and elsewhere in this agreement and other forms of those words have equivalent meaning.

2. 48 Hours Cooling off

If you change your mind shortly after applying for membership, you may have an opportunity to cancel. You will need to let us know in writing within the time specified in the details for it to be effective. We will charge the joining fee, administration fee and fair amounts for fitness services we have already provided, but will otherwise refund you any other amounts you have paid to us within 7 days of your request being granted. If you wish to end your membership **after** this 48 hour cooling off period,

different terms apply as set out in the Terms 8c and 9d. In the circumstance where you have paid upfront for your membership please note that there are no refunds after this Cooling off period expires.

3. Responsibility for members under 18

If you are under the age of 18 and purchasing a membership either by direct debit or upfront, we expect that you have parental permission to do so and that you are being advised by your parent or guardian when agreeing to our Terms and Conditions and Liability Waiver.

By allowing a minor to transact with us, the parent or guardian agrees to be responsible for ensuring the child exercises safely, pays their membership fees and otherwise follows these Terms.

4. Safety first!

The health and safety of members is important to us. This clause sets out some of the things we require of you to help achieve that objective.

(a) Your physical condition

A safe and effective exercise program is dependent upon accurate health and fitness profiling. It is therefore essential that you tell us in writing all relevant personal health and fitness information both before (through our pre-exercise questionnaire or otherwise) and during the course of any exercise program or other activity. You promise that information you disclose to us will be true and accurate and not misleading in any way. You must not attend and use the facilities and services whilst you are suffering from any illness, disease, injury or other condition that could present a risk to the health or safety of other members and guests or yourself.

If you happen to use the facilities and services before disclosing relevant health information to us, you promise that you are in good physical condition and you do not know of any reason why you may not be able to exercise safely. If you feel unsure that you can make this promise, we ask that you do not use the facilities and services until we have completed your health and fitness profile.

(b) Proper use of equipment

We will offer to you an instructional consultation with a staff member when collecting your 24/7 access key. This will provide information about use of the facilities and services and it is your right to refuse such consultation. In any case, you promise to take care when using the facilities and services and make sure that you use the facilities and services including equipment appropriately and safely. If you are ever not sure how to operate any equipment properly, please avoid using it until you can ask a staff member for guidance.

(c) Rules of good behaviour

We display rules that apply to everyone using the facilities and services in order to promote health and safety and the protection of property (our Rules). A copy of our Rules may be displayed on our website and on signage. Please make sure that you read our Rules carefully and ask us if there is anything you are not sure about.

We may occasionally update our Rules to further promote health and safety or to make other improvements. We will seek to tell you of any changes as set out below, though we expect you to keep familiar with the current version of our Rules by reading our website and signage on a regular basis. If you break our Rules, the response we take will be at our reasonable choosing and we will try to exercise

this right fairly by giving you a warning if we consider the failure is less serious. In this regard however you acknowledge that health and safety of all users and protection of property is very important. Accordingly, if we reasonably consider the failure to follow our Rules is serious or persistent we may suspend or even cancel your membership with immediate effect.

(d) We can refuse you entry

We can refuse you entry to the facilities and services or cancel your membership immediately if you behave in a way that is seriously risky or inappropriate, such as if you threaten or harass others, deliberately or recklessly damage equipment or facilities or if you use or distribute illegal or performance enhancing drugs.

(e) Please follow our directions

You agree to follow any reasonable direction of a member of our staff relating to health and safety or any other matter.

5. We take your privacy seriously

(a) Our privacy policy

From when you apply for membership we will have access to personal information about you, such as information relating to your health and finances. We will protect this information and only use, disclose or deal with this information in accordance with our Privacy Policy. The latest version of the Privacy Policy will be available on our website.

(b) Video monitoring

We may use video monitoring in our facilities for health, safety and security reasons. If you have any queries in relation to the use of monitors operating in and around our facilities please contact us.

(c) Please keep your contact details up to date

You promise to tell us promptly if you change your address, phone number, email, bank account, credit card information for payment or if there is a change to any other personal information relevant to your membership with us. This includes any matters that affect the health or safety of you or others.

6. What you get when you join

From the Start Date you are entitled to the membership benefits and use of the facilities and services that apply to the Membership Type you selected.

7. When can you put your membership on hold?

You may temporarily suspend your membership for travel or medical reasons if all amounts payable for your membership are paid up to date and you have paid the fee required to use this service. You will need to produce satisfactory supporting documentation when you apply for a suspension. You must apply for a suspension as soon as possible after you become aware of the relevant circumstances. We are entitled to charge you the suspension fee for processing your application. In any 12 month period, we are not obliged to suspend your membership on more than two occasions or for more than three months in total when citing medical reasons. For all other types of suspension your maximum suspension times are detailed in your membership contract. While your membership is suspended, the term will be extended and we will freeze any direct debit payments that fall within the suspension period.

8. Ending your membership

For the purposes of any requirements in this agreement to tell us in writing or give us written notice, we will accept notification by email or post.

8.1 On or after expiry of the Minimum Term

If your membership is for an **Upfront Fixed Term**, you do not need to do anything, as it will automatically end when the Minimum Term expires. We will seek to remind you before the end of your membership in these circumstances in order to discuss renewal purchase of your membership.

If your membership is **Direct Debit**, you are committed to the direct debit agreement for the Minimum Term after which your contract will auto-renew. This means that your membership will renew its contract term after the initial Minimum Term is completed, unless you tell us in writing at any time before the expiry of the initial Minimum Term that you do not wish your membership to continue. We will seek to remind you before this time.

If your membership is Ongoing you can terminate any time, by giving us at least 14 days prior written notice.

Where neither you nor we terminate this agreement, any unpaid fees will need to be paid by you and in addition to our other rights we may have including our taking action to recover the outstanding payments.

8.2 Other ways that you can end your Membership

You can also cancel your membership where:

(When no cancellation fee will apply)

If we don't keep our end of the deal (please see paragraph (a) below);

If you become subject to medical incapacity (please see paragraph (b) below);

If we make changes to this agreement that adversely affect you (please see clause 13);

If you otherwise become entitled to do so under consumer legislation;

(When a cancellation fee may apply)

If you relocate or simply wish to cancel for any other reason (please see paragraph (c) below); or

(a) If we don't keep our end of the deal

You can cancel your membership by written notice to us if we breach any of our obligations under this agreement and we have not remedied that breach within a reasonable time after you have given us a written request that we do so. No fees will be applicable for cancelling in accordance with this clause apart from, to the extent not impacted by our breach, the joining fee, membership fees for the time you have been a member calculated on a prorata basis and any outstanding fees for other services already supplied to you.

(b) You can cancel for medical reasons

You can end your membership by telling us in writing if you cannot exercise for the remainder of Minimum Term due to an illness or a physical incapacity and you produce supporting documentation to our reasonable satisfaction. In that event, you will only be charged the joining fee, membership fees for

the time you have been a member calculated on a pro rata basis and any outstanding fees for other services already supplied to you.

(c) If your membership is no longer convenient

Otherwise, you can end your membership during the Minimum Term with immediate effect at any time by simply telling us in writing. We understand that circumstances change and so you do not need to give any reason. **However if you are cancelling prior to your expiry date you will be charged a cancellation fee.**

Please note we will consider any request to transfer your membership and may agree to the transfer at our reasonable choosing subject to satisfaction of reasonable eligibility conditions and your payment of the transfer fee of \$60. We will never charge you a cancellation fee if we agree a transfer to someone who is not currently a member and they have paid our standard joining fee.

In any case if your membership ends under this paragraph (c), you will be liable for the joining fee, membership fees for the time you were a member calculated on a pro-rata basis, any outstanding fees for other services already supplied to you and, except as mentioned above, the cancellation fee.

8.3 When can we end your membership?

In addition to our other rights under this agreement, we can terminate your membership by written notice to you if you fail to act in accordance with any obligation under this agreement and if capable of remedy you do not remedy the failure within a reasonable time of us giving you written notice requiring you do so. However, we will not seek to end your membership in this way if you have failed to make a payment and we are also in breach of a material condition of this agreement. If we cancel this agreement under this paragraph you will be liable for the joining fee, membership fees for the time you were a member, the cancellation fee and any other fees payable for further fitness services already supplied.

On rare occasions we may cancel a membership by written notice to the member without the need to give a reason. If we cancel your membership under this paragraph you will only be liable for the membership fees for the time you were a member and any other fees for other fitness services already provided. No cancellation fee will apply and we will refund your joining fee together with the sum of \$50. You agree that this payment is your sole entitlement to compensation for cancellation of your membership under this paragraph.

9. Fees you have to pay for your membership

The fees you have to pay are specified in the details. This clause 8.3 sets out some further rights and obligations that apply in relation to particular fees. If you fail to make any payment when due, we can suspend your membership and refuse you access to the facilities and services until all outstanding amounts have been paid in addition to our other rights under these Terms. Fees and charges continue to accrue during the suspension.

(a) Joining fee

We may charge you a joining fee to cover the set up costs for a new membership. The joining fee is not refundable except in limited circumstances relating to clause 8.2(a) and clause 8.3.

(b) Membership fees

If your membership is for a Fixed Term you can pay your membership fees up front when you submit the membership form, or you can elect to pay by periodic instalments. Upfront Payments are non-refundable after the Cooling Off Period expires. If your membership is Ongoing, membership fees must be paid periodically in advance until your membership ends.

(c) Cancellation fee

The cancellation fee based on a payout figure equal to the membership fees that you would have paid for the remainder of the Minimum Term as at the cancellation date less 50%. In the case of upfront memberships there is no specified cancellation fee as these memberships are non-refundable after the 48 hour cooling off period

(d) Fee increases

We will not increase the membership fees during the Minimum Term. However, we may increase your membership fees or any other fees with effect any time after that. We will make a fair effort to tell you at least 60 days before by writing to you at the last address you gave us (which may be an email address). Where we have done so, you authorise us to increase any debits from your nominated account in line with this increase. We will not use this right to vary the terms of any special offer which applies to you.

(e) Refunds and the Credit Code

We are entitled to deduct all fees and charges that you must pay under this agreement from any refund we give you. The National Credit Code does not apply to this agreement.

10. When you pay by direct debit

(a) Authorisation to deduct fees.

By nominating a credit or debit account, you are authorising us to deduct from that account all fees and other charges for which you may be responsible under this agreement. Accordingly, it is essential that you keep your account details up to date.

(b) If your payment is late or rejected.

You are responsible for making sure that there is enough money in your nominated account on the usual payment day or the next working day if that falls on a day when banks do not process payments.

Any rejections when we attempt to collect payments from you will be charged at \$8.50 per failed payment transaction, directly to you by us (or by the Direct Debit Provider). If a payment remains outstanding, you agree that, unless we are in breach of our obligations under these Terms, we (or the Direct Debit Provider) may continue to debit the nominated account for the total amount due without notice to you. If the amount owing is more than one periodic membership fee we will seek to contact you first.

(c) Direct debits

If you choose to pay fees by direct debit, then this will be through the Direct Debit Provider named in the details. The Direct Debit Provider may be us (if we are authorised) or a third party provider who is not a party to this agreement and whose only role is to provide direct debit services. We will provide you with a copy of the terms and conditions that apply to the direct debit services. Those terms and conditions are entirely separate to this agreement and you may have rights and obligations under those

terms and conditions. As such, the Direct Debit Provider acting in its capacity as such has no liability to you in connection with your involvement in exercise activities under this agreement.

11. Issues with outside providers

We will seek to make sure those franchisees, contractors and other authorised persons who provide services at the facilities (outside providers) are appropriately qualified before granting them access. Examples of outside providers include such as coaches, physiotherapists, masseurs and personal trainers who may offer additional services from the facilities that are not included with your Membership Type. Please note that outside providers are neither employed by us nor are they our agents, even if they happen to be wearing clothes displaying our name and logo. You will know that they are outside providers because they will require payment of their fee direct from you when you engage them.

This is important because we are not liable for any injury, loss or other claims arising from breach of contract, negligence or otherwise that are suffered by you in connection with any outside provider services, other than to the extent caused by our negligence. In addition, you release us and hold us harmless in relation to any such claims.

We have no responsibility in respect of the fees that you must pay directly to outside providers nor for any associated costs or refunds. However, please advise us if you have a problem with an outside provider and we will try to help if we can. Nothing in this clause limits our liability for the actions of our employees or agents.

12. Other services

There may be other services offered at the facilities that do not form part of your Membership Type but are available for you to purchase separately. These are not part of the services provided under your membership and you will be advised at the time if any additional terms apply to these services.

13. Changes to your membership agreement

We may need to make changes to this agreement including our Rules during your membership. However, we will always try to do this in a way that is fair by giving you an opportunity to cancel your membership if you do not agree to the change as described in this clause below.

We will tell you in writing of the proposed change in advance and tell you the date that it will come into effect. This effective date will be at least 30 days from the date of our notification unless it is impractical for us to do so. Your membership will be amended with effect from the effective date. If however, you are adversely affected by the change, you may cancel your membership without payment of a cancellation fee by telling us in writing before that date. Please note you cannot cancel under this clause if we are required to make the change in order to comply with a law or any direction of a competent authority.

14. Our liability to you

(a) Statutory guarantees ACL: The Australian Consumer Law (ACL) contained in the Competition and Consumer Act 2010 (Cth) (CCA) provides certain guarantees in sections 60 to 62 (statutory guarantees) which generally require that services supplied to you: are rendered with due care and skill, are reasonably fit for any purpose which you, either expressly or by implication, make known to the supplier and might reasonably be expected to achieve any result you have made known to the supplier and are supplied within a reasonable time (when no time is set). Permitted exclusion: However, the

CCA permits a supplier of recreational services to ask you to accept some limitations on those statutory guarantees. Accordingly, to the extent permitted by section 139A of the CCA, you acknowledge and agree that we exclude all liability to you for death or injury resulting from a failure by us to comply with any statutory guarantee. In the previous sentence, "injury" means: ☐ physical or mental injury (including the aggravation, acceleration or recurrence of such an injury); ☐ the contraction, aggravation or acceleration of a disease; or ☐ the coming into existence, the aggravation, acceleration or recurrence of any condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to you that is or may be harmful or disadvantageous to you or the community, or that may result in harm or disadvantage to you or the community. Reckless conduct: This exclusion of liability does not apply if you have suffered any significant personal injury that is caused by our reckless conduct (within the meaning given to those terms by the CCA).

(b) State based notices

Please refer to the attached ACL Exclusion Notice which contains complementary information about the statutory guarantees and the limitations that we are allowed to place on them. These are without prejudice to the limitations contained in this clause.

(c) General exclusions

Please note that nothing in this agreement excludes, restricts or modifies any term, condition, warranty, guarantee, right or remedy (including under a statutory guarantee) which cannot lawfully be excluded, restricted or modified.

Otherwise, and except as expressly included in this agreement, all implied terms, conditions, warranties, rights or other additional obligations that can be lawfully excluded are excluded from this agreement. In particular, but subject to the preceding paragraph, we are not liable for:

negligence; or breach of terms implied that services will be provided with reasonable care and skill, at common law that in either case results in your death or injury (as defined in paragraph (a) above) in connection with or under this agreement, but to avoid doubt we do not exclude liability for our reckless conduct.

(d) Loss of property

You promise that you will not unnecessarily bring valuables in to the facilities and that if lockers are available you will use the lockers to store any valuable property that you bring with you. If we provide secure storage lockers, then this is part of our service to you. However, we are not responsible if someone breaks into your locker and takes your property, other than to the extent we have not complied with our obligations in respect of this service under a statutory guarantee.

Other than as described above, maintaining the security of unattended property in the facility is not part of the service we provide under this agreement. Accordingly, if you choose not to use a locker to securely store your property and leave it unattended in the facilities, we will not be responsible for any loss or damage to your property that occurs.

15. Your responsibility for damage

You agree to pay for any damage to the facilities caused by you or your guests through a wilful act or negligence.

16. General legal guff

(a) Unexpected events

We are not liable if you cannot use your membership due to anything beyond our reasonable control. If that failure or delay continues for more than 30 days, then either you or we can cancel this agreement with immediate effect by telling the other in writing. We are entitled to make part or all of the facilities unavailable for up to two weeks during each calendar year to undertake maintenance, repairs or improvements, in which case we will extend your membership by the time you are unable to use the facilities.

(b) Our logo and intellectual property

No rights in relation to our logo, trademarks or any other intellectual property rights associated with our business, techniques, exercise programs or classes are granted to you under this agreement, except that any exercise program created for you may be used while you are a member for the purpose of your exercise activities.

(c) Transferring this agreement

We can transfer the rights or benefit under this agreement or sub-contract our obligations under this agreement to a third party at any time without notice to you but in doing so we will make sure that the transferee agrees to honour the terms of your membership. (d) Severability and waiver If a court finds that any part of any term of this agreement is or becomes illegal, void or unenforceable, that part is deleted and this does not invalidate the rest of this agreement. If we do not enforce our rights under this agreement at any time, it does not mean that we may not do so on future occasions. (e) Applicable law. The law of the State/Territory specified in the details applies to this agreement.
